

# POOL RULES

**Rules suck...but, sometimes we just have to have 'em!**

- Please wear proper swim attire in the pool/spa. *That means no street shoes, gym clothes, cut-offs, thongs or leotards in the pool or spa.*

- Food and/or Glass Containers in the pool area is **NOT** ok.
- Rinse off before you enter the pool.

- Long hair (below the ear) needs to be put into a swim cap.
- Don't dive into the pool.

- No running or playing on the pool deck, please.
- Those that have open wounds or sores should stay out of the pool.

- Anyone under the age of 16 in the pool needs to be supervised by an adult.

- There is no lifeguard on duty.
- Diaper aged children are not able to use the pool.

And then, you know...all the usual...no gum, no smoking, no running, no pets, no shouting, no pushing, no spitting, be courteous to other members in the pool, and of course don't pee in the pool.
